GOD'S LOVE TO THE NATIONS

A REPORT ON OUR TRIP TO NYAMEDUA CHILDREN'S HOME
ZAARE, BOLGATANGA, GHANA

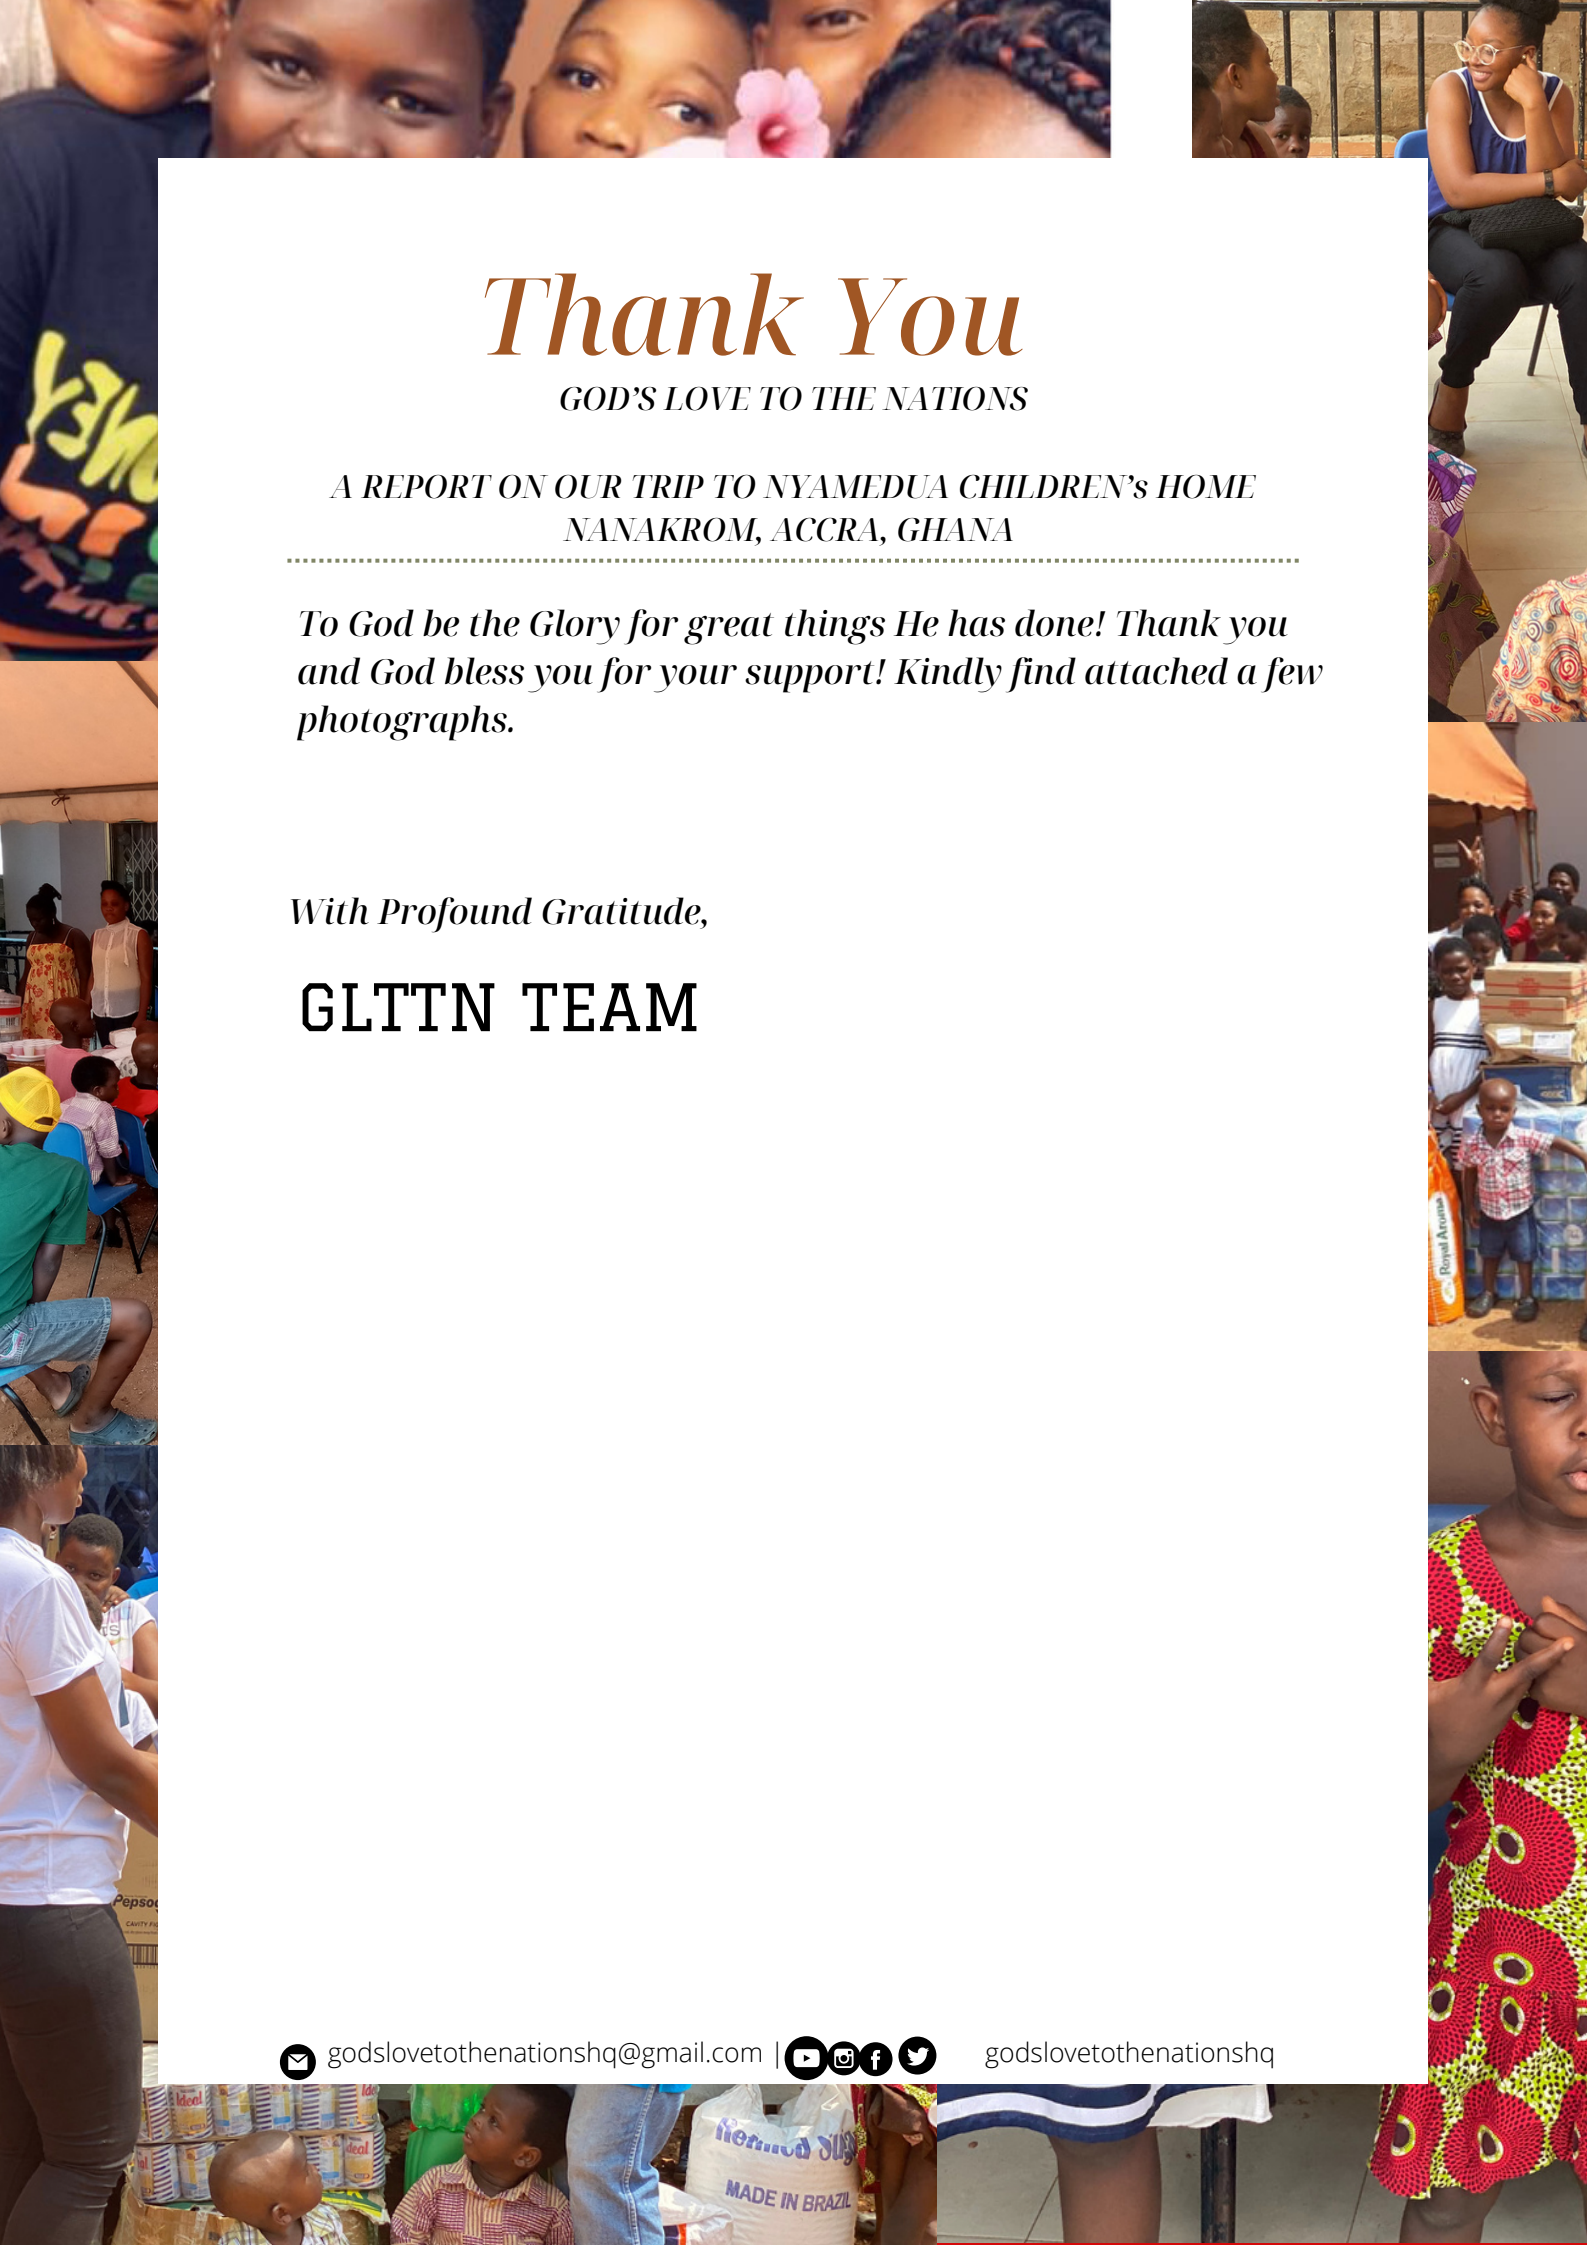

In December 2020, we embarked on our first outside of Accra trip following news we received from Mr. Anaba Of Nyamedua Children's Home in accra, Ghana.

Reaching Bolgatanga, Zaare community we were welcomed by a wonderful group of children and their caretakers- Nyamedua Children's Home Bolgatanga. This was just the start of a wonderful 1 week in the upper east.

We began our first night with introductions and a wonderful presentation from the children. The next day, we engaged in soap making to serve as a means for the home to raise funds. The night was young and God had plans in store for us. We continued the day with a crusade we hadn't planned for but God had planned for us. It span for 3 days with many souls won to Christ and many others with testimonies of physical healing. We also embarked on door-to-door evangelism sharing the gospel to all who were in the community.

A medical screening was held for over 80 people in the community including the children and staff in the home. A party was held on Christmas day for the community and many flocked in to be fed.

Liasing with Lighthouse Chapel International in Bolgatanga, the children and individuals in the community were planted in the church and are still members to this day.

Thank You
