GOD'S LOVE TO THE NATIONS

A REPORT ON OUR TRIP TO NYAMEDUA CHILDREN'S HOME
NANAKROM, ACCRA, GHANA

On Thursday 17th September 2020, we embarked on our first official trip following the support given to families in 2019 at the start of the Covid-19 Pandemic.

After a very thorough search, God led the team to Nyamedua Children's Home where orphans were shown the love of Christ. The team fellowshipped with them in worship, praises, talks and breaking of bread.

It was a fun time that lasted over 3hrs. This day marks a very significant day in the life of this organization. It opened the door to the northern parts of Ghana through interactions with the founder, Mr. Anaba, who mentioned they had an outfit in the northern part of Ghana (upper east) that will be blessed by our presence. God saw it through and we give Him all the glory.

Food and other household items were donated to the home and we left having imparted hope that only comes from Christ, putting smiles on the faces of these children.

To God be the Glory for great things He has done! Thank you and God bless you for your support! Kindly find attached a few photographs.

With Profound Gratitude,

GLTTN TEAM
